

## North Alabama Firearms Training Schedule (6/15/2020)

NAFT will resume firearms training in July. Class sizes will be limited to 10 students to accommodate our Covid-19 Protective Measures. Please be aware that training at times will require close contact between students and instructors. We will be taking appropriate precautions to protect both our customers and our instructors. If you sign up for a course and exhibit any Covid-19 symptoms before or on the day of your scheduled class we request you notify NAFT or your instructor at which time we will either reschedule your training to a later date or refund your deposit. Safety is our number one concern on and off the range.

**July 11th NRA Basics of Pistol Shooting - Instructor Led Training:** This 8-hour course is for beginners who have not determined the type of pistol they wish to purchase. The course covers safe handling, the parts and functions of revolvers and semi-automatic pistols, ammunition types and uses, shooting fundamentals, care and maintenance, and shooting skills. Guns and ammunition are furnished for this course. Students receive a Basics of Pistol Shooting Handbook and an NRA Certificate upon Completion. Course Fee: \$145.00 (\$75.00 deposit) Start Time 8:30 am.

**July 25th USCCA Concealed Carry and Home Defense Fundamentals Course:** This 8-hour course is for anyone considering or currently carrying a firearm for self-defense and is designed for experienced shooters. The course addresses key concepts of conflict avoidance and situational awareness which are the foundation for developing your personal protection plan. Training covers: self-defense firearms basics, defensive shooting fundamentals, the physiology of violent encounters, the legal aspects of using deadly force (including knowing what to do in the aftermath), holsters and other equipment, and shooting skills development. NAFT-LLC uses a combination of laser training devices in the classroom and live-fire on the gun range to teach basic and advanced shooting skills. Students receive USCCA's Concealed Carry and Home Defense Fundamentals training manual (a \$29.95 value). The range activities require an Everyday Carry (EDC) firearm, your EDC holster, and 200 rounds of ammunition for your firearm. You will also need hearing protection and eye protection as well as appropriate clothing to include a concealment garment (vest, shirt, or jacket). Almost all our range drills will begin with your firearm in a holstered and concealed position. Students must pass a written open book exam and demonstrate safe firearms handling to receive a USCCA course completion certificate. Course Fee: \$185 (\$75 deposit). Start Time 8:30 am.
